

Boxing Legends Duane Ford (Judge) and Jay Nady (Referee) gave two days of professional boxing ABC Training in April, 2013.

Their schedule in Little Rock permitted a brief visit to the famous Arkansas State Capitol where the Arkansas Treasurer's Office allowed a little clowning in the vault.

World renown mixed martial arts referee "Big" John McCarthy provided an intense two day basic level ABC-recognized judge and referee course for those interested in furthering knowledge in the swiftly-evolving MMA sport. The two-day course was held at the Little Rock Marriott in late September, 2013.

In December, 2013, a free Inspector Training Class was offered on a Saturday afternoon. Program Director Brandon Dawson spoke from the Power Point presentation he had compiled. Other speakers, a live demonstration, and question period were part of the training as well as a written test. The Inspector Training was provided to help insure Inspectors have a uniform response at live events and that paperwork procedures are followed.
